Visit "[The Neverland](#)" on MotoLyrics.com

How far is now the Neverland
When you're fighting hard
To go through your everyday life -
That is not that fun
Are you longing for anything new
How do you feel when you remember
The time when you were so full of great
expectations
You were opening your door to a future that you
don't recall

How far is now the Neverland
When you suddenly remember
Once in your life there was a time
Where your dreamt to fly
Are you longing to do it again

Sometimes life gives you a chance
But if you don't take it then you can't do anything at
all
You'll be opening your door to a future that you
don't recall
