Visit "[Forever Free](#)" on MotoLyrics.com

Rules of the earth have captured your life and soul
hear the cry for freedom, resist the laws of the world
wait for the sun, your destiny is in your hands
if you really believe, you can reach the rainbow's end

while the gates of freedom opens in your heart
you will live forever free
while you rebel against destiny you will change your
fate
and you will live forever free

rules of the earth have captured your heart and your
fate
feel the wind of freedom, don't lose your pride and
your faith
wait for the sun, your destiny is in your hands
if you really believe, you can reach the rainbow's end

while the gates of freedom opens in your heart
you will live forever free
while you rebel against destiny, you will change your
fate
and you will live forever free
