Keep your distance from the scurvy and seamy men
They can also push ypu to falce life style
You don't need madness you're living with falcon heart
During your life never ride for a fall
Ride for a fall
Just build your life;with the honour and honesty
Life marches on till the heaven's fire gates
The rights and the lies as your prise after death
Devil will burn your heart in the hell if you're bad
If you're bad
Heaven's fire gates,heaven's fire gates
You will chose the one
Heaven's fire gates,heaven's fire gates
See the sacred sign
