Visit "[Show Must Go On](#)" on MotoLyrics.com

Your broken heart that's fading in the dark
Will reach the sunlight one day
Melancholy shadows that are watching you
Will always recall to survive
When you turn on the lights of the stage
Your guitar will begin to say
Your time will come,time will come
Always believe in the rising sun,rising sun
Notwithstanding you must carry on
Show must go on,must go on
The lonely child that is deep inside you
Will reach the rainbow one day
Merciful angels that are watching you
Will always recall to survive
