Visit "[The Hell Nights](#)" on MotoLyrics.com

There's a night from the arena of hell
and a child- and a child in the battle,
games destroyed by mindless crime

this insanity rules over the world
and a child, and a child in the battle,
dreams blinded by endless hate

blood and fire are cursing the all fairy tale
you witness the mourning of angels in nights of hell
the lawless giant is haunting this fearful world

listen to the tale of pain
and see those fields of shame
fire breaks loose from the sky
you witness witness those falling stars
