I need you to know how much I want you
I'm broken and I'm dying
I need you to know how much I want to care
I want to breathe you in like my cigarette

Wanna hold you deep inside of me
I need to crave you, I need you, baby
You make me feel so alive
You make me feel so alive

When I sleep, you're there
In too deep, lost in me and I just can't speak
Tell me why we're here
Let me see why the angel's cry

When a thousand years isn't long enough
I want to drink your drink, drink from your cup
I want to taste the salt and lime on my lips
To remind me you've been there
You make me feel so alive
You make me feel so alive

When I sleep, you're there
In too deep, lost in me and I just can't speak
Tell me why we're here
Let me see why the angel's cry

You make me feel so alive
You make me feel so alive

When I sleep, you're there
In too deep, lost in me and I just can't speak
Tell me why we're here
Let me see why the angel's cry

Why the angel's cry
Why the angel's cry
