Just one more time, just one more kiss,
Just one more look upon your wilderness.
Just one last time, just one more kiss,
Just one more look upon your wilderness.

OhhhhhhÂ...soundtrack to kissing.
OhhhhhhÂ...soundtrack to killing.

Just one more time, just one more kiss,
Just one more look upon your wilderness.
Just one last time, just one more kiss,
Just one more look upon your wilderness.

OhhhhhhÂ...soundtrack to kissing.
OhhhhhhÂ...soundtrack to killing.

The Blame, the Love, the Cross, the Son, the Way to
live and die
The Blame, the Love, the Cross, the Son, the Way to
live and die
The Blame, the Love, The Blame, the Love, the love,
the love, the love

OhhhhhhÂ...soundtrack to kissing.
OhhhhhhÂ...soundtrack to killing.
