All around I can touch your fear
Over me it's just perfect love
You're so kind, you're my lovely dreams
Show me girl, just a little more

* You're my all, you're my time
Everywhere I feel you deep inside me
Always beat in my heart
You're so fine, every time I will be a pleasure

** Over Time, me and you
Look into your eyes I will see the reason
Oh my love, me and you
Never end the story, baby
My heart will blaze
Always stay with me - woh - oh

All around I can see you, girl
I'm a fool for your lovely smile
Make my day, and my dreams come true
Give me all of your love tonight

*

** Repeat x2
