Image image you do what you want
Image image you do what you want
Image image you do what you want

Image image you do what you want
Image image you do what you want
Image image you do what you want
You're a carbon kid with a sinister diagram

Image image we're leaving the ground
Image image we're leaving the ground
Image image we're leaving the ground

Image image we'll never be found
Image image we'll never be found
Image image we'll never be found
You're a carbon kid with a sinister diagram
With a sinister diagram
Sinister diagram

And when this half is over
And we claim our second skin

We can compliment each other
On the state that we are in

And when we leave this place forever
And we're floating round in space
Take the easy way to heaven
With a smile upon your face

You're a carbon kid with a sinister diagram

Image image you do what you want
Image image you do what you want
Image image you do what you want

You're a carbon kid with a sinister diagram
You're a carbon kid with a sinister diagram
You're a carbon kid with a sinister diagram
You're a carbon kid with a sinister diagram

Sinister diagram

You're a carbon kid with a sinister diagram
