Visit "[Gloomy Monday](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Just give me a reason  
To get out of here

Dangers surrounding  
All you hear is  
Crying for help deep inside  
Evil is rising  
Trying to rape you  
It can take you alive

I can't see what's behind  
I'm feeling so numb  
Feeling so brightened

Last man standing  
Trying to hold on  
Grinding my life into dust

Burning race of your past  
Cry for the future  
Run is never looking back  
Hide from madness

Race has been started  
You are running on empty  
Thoughts in your head drives you mad  
Forces united you take your chances  
Feeling the power of life

You can see what's behind  
Out of the dark  
And into the light
