"No Escape"

Visit "[No Escape](#)" on MotoLyrics.com

When you're caught up in darkness
You're searchin' for life
And you reach out for every
Ray that's inside

You're diggin' the dirt for some pieces of gold
Remember what you have been told
When you tryin' to find it there
Out in the cold

There is no escape
There is no escape

So you're tryin' to hide
Where the streets have no name
But wherever you look
You see faces of shame

Addicted to madness they burn kill and die
Sellin' there souls for a lie
Then they pray for forgiveness
They fall down and cry

There is no escape
There is no escape

You've got to open up
Your eyes and see reality
That you can run
But you just can't break free

There is no escape
There is no escape
There is no escape
There is no escape
