You don't have to worry what you do when you think its  
alright  
You don't have to care boy, where your going where  
you stayin out late at night  
Always turn your back boy, don't you know there is no  
easy way out  
Take as it comes now,  
You can prove it, you've got no reason to doubt!

Too Much, Too Far, Too Soon, You are:  
Out of reach, (yes you are!)  
Out of reach (what you are!)  
Out of reach (gone to far)  
Out of reach (Yes i-ya!)

You are the navigator of yourself, but your heading into  
self destruct  
Be a great creator, Dont look back and dont look down  
on your life,  
You don't have to care boy, Your problems over dont  
you think that its you  
Holding on inside boy,  
Its the answer be strong and you will pull through!

Too Much, Too Far, Too Hot, You are:  
Out of reach, (yes you are!)  
Out of reach (Gone you are!)  
Out of reach (gone to far)  
Out of reach (Yes i-ya!)

Too Much!... Too Far! ... Too Soon! ...You are!  
Out of reach, (yes you are!)  
Out of reach (what you are!)

You don't have to worry what to do when you think you  
know its alright  
You don't have to care boy, where your going where  
you stayin up late at night  
Always turn your back boy, don't you know there is no  
easy way out  
Take as it comes now,

You can prove it, you've got no reason to doubt!

To Much, Too Far, Too Hot, You are:

Out of reach, (yes you are!)

Out of reach (what you are!)

Out of reach (gone to far)

Out of reach (Yes i-ya!)

Too Much!... Too good... To far... To soon...

Out of reach, (yes you are!)

Out of reach (what you are!)

Out of reach (gone to far)

Out of reach (Yes i-ya!) [Repeat]
