Where are those happy times - they seem so hard to find.

I try to reach for you but you have closed your mind.

Whatever happened to our love ?

I wish I understood.

It used to be so nice, it used to be so good.

[Chorus:]

So when you're near me, darling can't you hear me,

SOS

The love you gave me, nothing less can save me, SOS

When you're gone, how can I even try to go on ?

When you're gone, though I try how can I carry on ?

You seem so far away though you are standing near.

You make me feel alive but something died, I fear.

I really tried to make it up - I wish I understood.

What happened to our love, it used to be so good.
