F.U.C.K... The other bands...
F.U.C.K... The other bands...
F.U.C.K... The other bands...
Fuck, fuck, fuck... Fuck the other bands...

If you see the light
Come on, stay with us!
Everybody lies
Watch out! Watch out!
They tried to use me
And then abuse me
Cause I don't wanna be
The one they wanna see

F.U.C.K... The other gangs...
F.U.C.K... The other gangs...
F.U.C.K... The other gangs...
Fuck, fuck, fuck... Fuck the other bands...

They don't wanna know what is right

They don't know what is wrong
Laughing and making fun
They never get enough
Nothing left to say
Victim is your name
Boy, you gotta pray
Fuck this unfair game!

F.U.C.K... The other gangs...
F.U.C.K... The other gangs...
F.U.C.K... The other gangs...
Fuck, fuck, fuck... Fuck the other bands...
F.U.C.K... The other gangs...
F.U.C.K... The other gangs...
F.U.C.K... The other gangs...
Fuck, fuck, fuck... Fuck the other bands...
