Cause it's a bittersweet symphony, that's life  
Trying to make ends meet  
You're a slave to money then, you die  
I'll take you down the only road I've ever been down  
Ya know, the one that takes you  
To the places where all the things meet, yeah

Wont change  
I can't change (x3)  
But i'm here in my mode  
I am here in my mode  
But I'm a million different people from one day to the  
next  
I can't change my mode no, no, no, no, no

Well I never pray, but tonight I'm on my knees yeah  
I need to hear some sounds that recognize the pain in  
me yea  
I let the melody shine, let it cleanse my mind, I feel free  
now  
But the airways are clean and theres nobody singing to  
me now

Wont change  
I can't change (x3)  
But I'm here in my mode  
I am here in my mode  
And I'm a million different people from one day to the  
next  
I can't change my mode no, no, no, no, no  
(have u ever been down)  
I can't change it  
I can't change it

Cause it's a bittersweet symphony, thats life  
Trying to make ends meet  
Try to find some money then you die

And no,  
I can't change (x4)  
But im here in my mode

I am here in my mode  
And I'm a million different people from one day to the  
next  
I can't change my mode no, no, no, no, no
