I can see you evry day  
I can feel you in every way  
I can't find peace of mind,  
Because you say, I'm no good for you  
It's true, but still I say

Would you like to be my girl?  
Would you like to rule my world?  
Would you like to be my girl?  
Rock on, rock on!  
Would you like to stay with me?  
Would you like to make me see?  
Would you like to be my girl?  
Rock on, rock on!

I'm not too smart I'm in your way  
On the schoolyard you just look away  
All the time you send me signs  
And all they say is I'm no good for you  
It's true, but still I say

Would you like to be my girl?  
Would you like to rule my world?  
Would you like to be my girl?  
Rock on, rock on!  
Would you like to stay with me?  
Would you like to make me see?  
Would you like to be my girl?  
Rock on, rock on!

It took a gun to make you see  
You wanna take a ride with me  
And I swear you'll get back, on your feet  
You can always count on me!

Till the day you die!

Would you like to be my girl  
Would you like to rule my world?  
Would you like to be my girl?  
Rock on, rock on!  
Rock on, rock on!

Rock on, rock on!  
Rock on, rock on!  
Would you like to be my girl  
Would you like to rule my world?  
Would you like to stay with me?  
Would you like to make me see?  
Would you like to be my girl  
Would you like to rule my world?  
Would you like to stay with me?  
Would you like to make me see?

Rock on, rock on!  
Rock on, rock on!  
Rock on, rock on!  
Rock on, rock on!  
Rock on, rock on!  
Rock on, rock on!  
Rock on, rock on!  
Rock on, rock on!  
Rock on!
