You're so young and I'm so old
This, my darling, I've been told
I don't care just what they say
Coz forever I will pray
You and I will be as free
As the birds up in the tree
But please stay by me, Diana
Come stay
Thrills I get when you hold me close
Hold me darling, you're the most
I love you with all my heart
And I hope we'll never part
You and I will be as free
As the birds up in the tree
But please stay by me, Diana
Come stay now
All my love, all my love
Tell me but there's no other
I love you with my heart
O-oh o-oh o-o-o-oo
Only you can break my heart
Only you can tear it apart
When you hold me in your loving arms
I can feel you giving all your charms
Hold me baby, hold me, hold me tight, hold me
Squeeze me baby with all your might
But please stay by me, Diana
Come stay now, baby, Diana
Only you can break my heart
Only you can tear it apart
When you hold me in your loving arms
I can feel you giving all your charms
Hold me baby, hold me, hold me tight, hold me
Squeeze me baby with all your might
But please stay by me, Diana
Come stay now, baby, Diana
