Mother told me
She said, son, please beware
There's a thing called love
And it's a everywhere

She said, It can break your heart
Turn it into misery
Since I met this little woman
The same thing is happening to me
I've got to tell her, listen

It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love
It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love

I found myself wanting her
At least ten times a day
It's so unusual for me to
Carry on this way

Instead I can't sleep at night
I'm wanting just to hold her tight
I've tried so hard to rest myself
This feeling it can't be right
I've got to tell you, listen

It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love
It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love

It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love
It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love

It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love

I wouldn't mind it
If I knew she really loved me too

But I hate to think that I'm in love alone
There's nothing that I can do
Got to tell her, listen

It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love
It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love

It's too late to turn back now
I believe, I believe, I believe I'm fallin' in love
