Guess there's no use in hangin' 'round
Guess I'll get dressed and leave the town
I'll find some crowded avenue
Though it will be empty without you, oh you

Can't get used to losin' you, no matter what I try to do
Gonna spend my whole life through, loving you

Called up some girl I used to know
After I heard her say, "Hello"
Couldn't think of anything to say
Since you're gone, it happened every day, you

Can't get used to losin' you, no matter what I try to do
Gonna spend my whole life through, loving you

I come to know
Can't get used to losin' you, no matter what I try to do
Gonna spend my whole life through, loving you

I'll find somebody, wait and see
Who am I kiddin', only me
'Cause no one else can take your place
Since you're gone, I'm just a helpless case

Can't get used to losin' you, no matter what I try to do
Gonna spend my whole life through, loving you
