Hey baby I saw you creepin with my  
friend sarah you said you wouldn't do it  
again why do you have to cheat on me  
I don't understand I thought that you  
loved me gurl I loved you from the start  
gurl I love you for who  
you are but when you start cheatin  
I didn't know what to do so  
I had to get up and leave

I don't wanna leave you baby  
but you keep doing what u doing  
mayba I though that I belived ha  
but know I don't know what to  
do unless I get amnesia ithought  
that she was the one for me but  
know I started to see I thought that  
I belived ha but know I don't  
understand unless I have amnesia

Why she treat me this way I loved  
her every night and day I gave her  
all my love I thought that  
she was an angel from above gurl  
I loved you from the start girl I l  
oved you for who you are but  
when you started cheatin I  
didn't know what to do so I  
had to get up and leave

This is the way that she treat me  
then this is the way it should be  
I thought that I belived ha  
but know I don't know what to do unless  
I get amnesia this is the way that  
she treat me then this is the way it
