Couldn't wait to see you waiting by the door
There was no one there to meet me and your clothes
were on the floor
Sorry if I hurt you and I made you cry
Couldn't stand to see you with another guy
It's the bluest blues
And it cuts me like a knife
It's the bluest blues
Since you walked out of my life

Couldn't really tell you how you hurt my pride
Something broke within me down inside
Never knew I loved you till you went away
Now the loneliness surrounds me every day
It's the bluest blues
Since you walked out of the door
It's the bluest blues
'Cause I won't see you no more

Sorry if I failed you and somehow I'm to blame
The bluest blues I'm feeling is a crying shame
Just can't live without you, face another day
'Cause the bluest blues I'm feeling and it's here to stay
It's the bluest blues
And it cuts me to the bone
It's the bluest blues
When you can't find your way home
