feat. Diamond

I need you more then you  
kno baby don't you kno that i love  
you so i wanna be with you  
forever don't you know that girl  
i need you in my world you  
complete with everyting don't  
you see i need you baby just stay with me

You are my lady and you drive  
me crazy you mean everything  
to me cause you are my  
baby i just wanna stay with you i  
want you too be my boo but if  
you leave me now im gonna be through

I'll give you one mo chance you  
betta not mess it up you  
understand you keep yoself in  
check before i leave you again  
i want you to listen to me  
i hope you understand me  
cause if you do it again i will leave

i need you more then you  
know baby don't you know that i  
love you so i wanna be  
with you forever don't you  
know that girl i need you  
in my world you complete with  
everthing don't you see  
i need you baby just stay with me

I told you once if you act  
up then i will leave and  
go i wll pack everthing i own  
and also my clothes  
i will give you another  
chance that what you betta  
understand you feel where  
im coming from you understand

I promise you i will be  
good i promise you i understood  
i heard everyword i need you in  
my world you can leave when  
you wanta go but baby please don't  
leave me here heart broke but  
baby please i need you so  
i need you so so please dont go

i told you once if you act  
up then i will leave and go i  
will pack everything i own and  
also my clothes i will give  
you another chance that what you  
betta understand you feel where  
im coming from you understand

i need you more then you know  
baby don't you know that i love  
you so i wanna be with you  
forever don't you know taht girl  
i need you in my world you  
complete with everything don't  
you see i need you baby  
just stay with me

i told you once if you act  
up then i will leave and go i  
will pack everything i own  
and also my clothes i will give  
you another chance that  
what you better undersdtand  
you feel where im coming  
from you understand

While music plays on say  
So you wan to leave me

No cause i feel what you sayin

I fell what you sayin also i love you

I love you to

I promise that i be betta

you suppose to say i love you back

why when you already know the answer

see there you startin

fine i love you 2

O.K.

Are you sure you understaund

Yes im sure i understood you

I belive you boo

say i belive you too

i belive you too

i love you

I love you 2

i told you once if you act  
up then i will leave and go i  
will pack everything i own and also  
my clothes i will give you  
another chance that what you  
better understand you feel where  
im coming from you understand
