Before you leave me girl
can i have one more kiss before
you walk out the door can i have one
more hug since you're not
coming back no more can i have one more kiss
before you leave me can i have
another hug and kiss

you gotta leave me at this time
of year? it's valentine who im gonna
spend it with??
i can't do it by myself i want you
to stay with me so since you're doing this
i have to ask you one more thing!!

Before you leave me girl
can i have one more kiss before
you walk out the door can i have one
more hug since you're not
coming back no more can i have one more kiss
before you leave me can i have
another hug and kiss

you're not changing your mind anymore
i get that i don't wanna be away from
you i need you here
so now you're leaving me again
so before you go can i have

Before you leave me girl
can i have one more kiss before
you walk out the door can i have one
more hug since you're not
coming back no more can i have one more kiss
before you leave me can i have
another hug and kiss

when you left i couldn't get you
outta my head or outta my mind when
i was at the games i thought about you all
the time you just put a spell o
ver me and i can't seem to break it

i miss you girl please come back
it's not the same without you im having breakdowns
so since you're gone can i have another

Before you leave me girl
can i have one more kiss before
you walk out the door can i have one
more hug since you're not
coming back no more can i have one more kiss
before you leave me can i have
another hug and kiss

ooohh ooh oooh (don't leave me here)x4
