I can't even walk in my room without  
thinking about you everywhere I go I just  
wanna be with you I'm distracted by the  
love that I have for  
you my stamina is shutting down because I'm

Lovesick I'm lovesick from your love  
it's tying me down and not making me want  
to leave I'm lovesick I'm lovesick for this  
love it's breaking me apart and  
making me go so high (so high)  
just fly by (fly by)  
it's reaching too far in the sky I'm  
lovesick for your mind so high (so high)  
just fly by (fly by)  
now I'm falling down cause  
I'm lovesick for your love

when I'm minding my buisness and when I see  
your face I forget what I was thinking  
about and I just focus on your face  
and all throughout the day you just  
be on my mind and I  
can't just get over that I am feeling

Lovesick I'm lovesick from your love  
it's tying me down and not making me want  
to leave I'm lovesick I'm lovesick for this  
love it's breaking me apart  
and making me go so high (so high)  
just fly by (fly by)  
it's reaching too far in the sky I'm  
lovesick for your mind so high (so high)  
just fly by (fly by)  
now I'm falling down cause  
I'm lovesick for your love

maybe it just a curiosity (curiosity)  
but the more I'm around the more  
I be confused and the more I be  
un-told and I need a sense or sign  
from you cause this lovesick is getting

to my head and I want to tell you

Lovesick I'm lovesick from your love  
it's tying me down and not making me want  
to leave I'm lovesick I'm lovesick for this  
love it's breaking me apart  
and making me go so high (so high)  
just fly by (fly by)  
it's reaching too far in the sky I'm  
lovesick for your mind so high (so high)  
just fly by (fly by)  
now I'm falling down cause  
I'm lovesick for your love

Lovesick I'm lovesick from your love  
it's tying me down and not making me want  
to leave I'm lovesick I'm lovesick for this  
love it's breaking me apart  
and making me go so high (so high)  
just fly by (fly by)  
it's reaching too far in the sky I'm  
lovesick for your mind so high (so high)  
just fly by (fly by)  
now I'm falling down cause  
I'm lovesick for your love
