Since you told me that you loved me so
I could never ever let you go

(Baby, baby)
Baby, baby, I have found my love at last

I have never thought that a kiss could do
What it did to me when I kissed you

(Baby, baby)
Baby, baby, I have found my love at last
(Found true love at last)

Now that I, I've realized the way you feel for me
Hopin' that I'm not paralyzed and that it sets me free

Since you told me that you love me true
(Oh I just told you)
Babe, I love you, Lord knows, I do

(Baby, baby)
Baby, baby, I have found my love at last

Baby, yeah, baby, baby, yeah
[Incomprehensible]
[Incomprehensible]

You know that I, I've realized the way that you feel for
me
You made me feel that I was paralyzed and that it set
me free
Yeah, yeah

Every blues that you've ever heard
Is the way I feel in every word

(Baby, baby)
Maybe, baby, you will love me, love me till the end,
yeah

I said baby, baby, baby
Hey, baby baby, gonna love you till the end, oh, yeah,

yeah
I said baby, maybe baby
Well, baby, baby, I'm gonna love you till the end
