I woke up this morning  
My baby was gone  
I woke up this morning  
My baby was gone

I thought that she loved me  
It seems that I'm wrong  
Yes, I am wrong

I cried every night, darling  
For you to come home, yes, I did  
I cried every night, darling  
For you to come home

I'm feeling so lonely, darling  
I'm left all alone  
Yes, I'm left all alone now [Incomprehensible]

I woke up this morning, Lord, yeah  
The rain was falling down  
I woke up this morning, Lord  
The rain was falling down

I'm getting so lonely, darling  
Oh, yeah, baby, I wish I could cry  
Oh, yes, the rain is falling on the ground
