I won't give up, He loved me to the end.  
I will press on, He loved me to the end.  
I set my mind on things above, He loved me to the end.  
And so will I love Him, I have to give Him everything.  
Be faithful unto death. Oh, He loved me to the end (3x)

To be with Him in paradise, He loved me to the end.  
I'll be clothed in a robe of white, He loved me to the end.  
I'll cast my crown at the feet of Christ, He loved me to the end.  
And so will I love Him, I have to give Him everything.  
Be faithful unto death. Oh, He loved me to the end (3x)

We have overcome (3x)  
by His blood (4x)  
Oh, He loved me to the end (4x)

And, we have overcome (3x)  
by His blood (2x)  
And, we have overcome (3x)  
by His blood (10x)

Oh, He loved me to the end! (3x)
