There's power in the name of Jesus
There's power in the name of Jesus
Whenever we say His name
Things begin to change
There's power in the name of the Lord

Healing in the name of Jesus
Healing in the name of Jesus
Whenever we say His name
Things begin to change
Healing in the name of the Lord

Deliverance in the name of Jesus
Deliverance in the name of Jesus
Whenever we say His name
Things begin to change
Deliverance in the name of the Lord

Healing in the name of the Lord
Power in the name of the Lord
