Intro:

I'm sending a wave of my anointing,  
Sending a wave of my glory,  
Sending a fresh wind,  
Sending a move.

Chorus:

Sending a wave of my anointing,  
Sending a wave of my glory,  
Sending a fresh wind,  
Sending a move.

Verse:

I'm coming to shape this generation,  
I'm coming to tear down the walls.  
I'm coming to set the captives free,  
I'm coming to bring liberty.

Coming to heal the brokenhearted,  
I'm coming to take away their sins.  
I'm coming to bring restoration  
By the power of my name,  
Everybody sing...

Come like you wanna come,  
And do what you wanna do,  
Move like you wanna move,  
We're open up to you.
