When I'm on a dance floor  
When, when I'm on a dance floor

Look at my body, it's so official  
Every time they see me, they shoot over like a missile  
Just wanna party, don't mean no issues  
If that's your girlfriend over there, I think she miss you

When I'm on, when I'm on the dance floor  
Tell the DJ give me more  
Up so loud, the speakers blow  
The beat makes my body go

Begging for it now  
Spinning 'round and 'round  
Wanna tear it down  
I can't control it

When the beat goes boom, I hit the room  
My body goes on automatic, automatic, automatic,  
automatic  
When the beat goes boom, I hit the room  
My body goes on automatic, automatic, automatic

They crowd around me every time I enter  
You could see their heart beat pumping louder than a  
speaker  
So get up off me with all them whispers  
'Cause I'm the type of girl that's gonna hurt your  
feelings

When I'm on, when I'm on the dance floor  
Tell the DJ give me more  
Up so loud, the speakers blow  
The beat makes my body go

Begging for it now  
Spinning 'round and 'round  
Wanna tear it down  
I can't control it

When the beat goes boom, I hit the room

My body goes on automatic, automatic, automatic,  
automatic  
When the beat goes boom, I hit the room  
My body goes on automatic, automatic, automatic

When I'm on the dance floor  
Tell the DJ give me more  
Up so loud, the speakers blow  
The beat makes my body

When I'm on the dance floor  
Tell the DJ give me more  
Up so loud, the speakers blow  
The beat makes my body go

Begging for it now  
Spinning 'round and 'round  
Wanna tear it down  
I can't control it

When the beat goes boom, I hit the room  
My body goes on automatic, automatic, automatic,  
automatic  
When the beat goes boom, I hit the room  
My body goes on automatic, automatic, automatic

When the beat goes boom, I hit the room  
My body goes on automatic, automatic, automatic,  
automatic  
When the beat goes boom, I hit the room  
My body goes on automatic, automatic, automatic,  
automatic
