

## Aubrey O'Day "Goodbye Heartbreak"

Visit "[Goodbye Heartbreak](#)" on MotoLyrics.com

[Verse 1:]

Tryna stop my hands from bleeding  
You're playing tug o war with my feelings  
If I let go I'll lose everything  
But with you tell me will I ever win

[Pre-chorus:]

(Loving you more than myself)  
Is wearing me down  
(And the type of love I have lived)  
A pain I can live without

[Chorus:]

Goodbye heartbreak,  
I don't ever wanna see your face again.  
Goodbye heartbreak,  
Gotta start my healing from within.  
Goodbye heartbreak, heartbreak, heartbreak, yeah!  
Goodbye heartbreak, heartbreak, heartbreak, yeah!  
Goodbye heartbreak!

[Verse 2:]

Your love will never equal to  
The price I paid to ever stay with you  
My love is such a masterpiece (It's a masterpiece oh)  
A work of art that you could never ever see

[Pre-chorus:]

(Loving you more than myself)  
Is wearing me down  
(And the type of love I have lived)  
A pain I can live without

[Chorus:]

Goodbye heartbreak,  
I don't ever wanna see your face again.  
Goodbye heartbreak,  
Gotta start my healing from within.  
Goodbye heartbreak, heartbreak, heartbreak, yeah!  
Goodbye heartbreak, heartbreak, heartbreak, yeah!  
Goodbye heartbreak!

[Bridge:]

There's no good in goodbye  
(But I'm strong enough I gotta let you go)  
Takes forever to say it  
(But now I know there's no happy ending with true love)  
no, no  
(Because true love will never end)  
goodbye...

[Chorus:]

Goodbye heartbreak,  
I don't ever wanna see your face again.  
Goodbye heartbreak, (It kills me)  
Gotta start my healing from within. (My heart I'm  
getting you outta there)  
Goodbye heartbreak, heartbreak, heartbreak, yeah!  
(oh, oh)  
Goodbye heartbreak, heartbreak, heartbreak, yeah!  
(oh, oh)

[Chorus:]

Goodbye heartbreak, (Goodbye)  
I don't ever wanna see your face again. (Never)  
Goodbye heartbreak,  
Gotta start my healing from within. (I'm starting it now,  
putting you out)  
Goodbye heartbreak, heartbreak, heartbreak, yeah! (I  
gotta save me from myself)  
Goodbye heartbreak, heartbreak, heartbreak, yeah!  
Goodbye heartbreak!
