Walking down a road of false seduction
Legs are feeling weak from loves corruption
Up to you I wanted no interruption
Tell me how could he just pass me up?

Sometimes I wanna scream how could he let me go
Havent gotten over how you stole my soul
searching for your face in every car window
Look at what you did to me

Now Imma Hitchhiker
Gotta get to love
Can you take me there
Can you take me there
Imma hitchhiker
gotta get to love
can you take me there
can you take me there
are you going my way
are you going my way

Why do all your words set my heart on fire
when all i wanted was to be with you cause i uh
had everything i wanted but i need more
Now I feel more lost than before

Cause Imma Hitchhiker
Gotta get to love
Can you take me there
Can you take me there
Imma hitchhiker
gotta get to love

can you take me there
can you take me there
are you going my way
are you going my way

Can't find my way without you
What did I do to make your love pass me by
Don't want to be in your rearview
You took control of the wheel and you let our love die

Hitchhiker, Hitchhiker
Gotta get to love
Can you take me there
Can you take me there

Imma Hitchhiker
Gotta get to love
Can you take me there
Can you take me there
Imma Hitchhiker
Gotta get to love
Can you take me there
Can you take me there
Hitchhiker
Gotta get to love
Can you take me there
Can you take me there
Imma Hitchhiker
Gotta get to love
Can you take me there
Can you take me there
