o were never falling, falling, falling
no were never falling, falling, no nooo..

Every time they see us falling, they get down on their
knees and
waiting for the day we fall off so they can come and
see the face

[Roscoe Umali Rap]

Every time they see us falling, they get down on their
knees and
waiting for the day we fall off so they can come and
see the face

Hi Hater, it's your girl Aubrey O'day, Danity Kane you
know?
You talk about me on TNT, calling me Barbie
But hey if you really knew what went down, saying that
I-I-I get around, My 15 minutes but you ain't even had 1
whole minute
I need to get this off my chest, I'm real when it comes
to my chest, you can ask big Heff, this girl keeps it
real...
Every time they see us falling, they get down on their
knees and
waiting for the day we fall off so they can come and
see the face
no were never falling, falling, falling
no were never falling, falling, no were never falling,
falling, falling
no were never falling, falling, no nooo..ooo

[Roscoe Umali Rap]

Every time they see us falling, they get down on their
knees and

waiting for the day we fall off so they can come and
see the face
we will never be falling no were never falling, falling,
falling
no were never falling, falling, falling
no were never falling, falling, no were never falling,
falling, falling
no were never falling,
falling, no nooo..ooo

Take that, Take that
