Hey
This time I'm gonna switch it up on you, up on you
Make you so you waited
Hey
Give you something that you ain't used to
Come cross the finish line
You've made it

You've been such a good boy
And I think it's time we laid it out, laid it out
Step up in my room
And let me show you
What it's all about

I wanna take control
And get physical, physical
Hey, I wanna get physical, physical
Hey, and tell me can you,
Can you make my body talk?
C-Can you make my body talk?
Can you make my body talk?
C-Can you make my body talk?

I wanna get physical, physical
Hey, I wanna get physical, physical
Hey, and tell me can you,
Can you make my body talk?
C-Can you make my body talk?
Can you make my body talk?
C-Can you make my body talk?

Hey
Let me put this all over you
And no one interrupt it
This feeling boy
Is long overdue
Now do you think you're ready?

You've been such a good boy
And I think it's time we laid it out, laid it out
Step up in my room
And let me show you

What it's all about

I wanna take control
And get physical, physical
Hey, I wanna get physical, physical
Hey, and tell me can you,
Can you make my body talk?
C-Can you make my body talk?
Can you make my body talk?
C-Can you make my body talk?

I wanna get physical, physical
Hey, I wanna get physical, physical
Hey, and tell me can you,
Can you make my body talk?
C-Can you make my body talk?
Can you make my body talk?
C-Can you make my body talk?

Have you've got what it takes
To make me sweat
Work it out on the sheets
Till we get them wet
The physical finish
Let's go back in business
I can't wait, ohh

You've been such a good boy
And I think it's time we laid it out, laid it out
Step up in my room
And let me show you
What it's all about

I wanna take control
And get physical, physical
Hey, I wanna get physical, physical
Hey, and tell me can you,
Can you make my body talk?
C-Can you make my body talk?
Can you make my body talk?
C-Can you make my body talk?

I wanna get physical, physical
Hey, I wanna get physical, physical
Hey, and tell me can you,
Can you make my body talk?
C-Can you make my body talk?
Can you make my body talk?
C-Can you make my body talk?
