Revenge!

I was left for dead
Walking across that empty field
Watching the lights go out in my eyes
I heard the screaming
From the dark, but didn't recall
What was said at all?

You say hello
And inside I'm screaming I love you
You say goodbye
And in my mind I'm walking next to you

I'm walking next to you
You fucking Liar
Walking next to you
You fucking liar
Walking
Don't bury her
Walking next to you
Don't bury her

I was left for dead
Walking across that empty field
Watching the lights go out in my eyes
I heard the screaming
From the dark, but didn't recall
What was said at all?

You say hello
And inside I'm screaming I love you
You say goodbye
And in my mind I'm walking next to you

I'm walking next to you
You fucking Liar
Walking next to you
You fucking liar
Walking
Don't bury her
Walking next to you

Don't bury her

You say hello

And inside I'm screaming I love you

You say goodbye

And in my mind I'm walking next to you

I'm walking next to you

You fucking Liar

Walking next to you

You fucking liar

Walking

Don't bury her

Walking next to you

Don't bury her
