Fallen angel
Watching over me
I'm far from heaven
Lift me up, 'cause I want to believe

In dreams, I'm falling
Through the darkest skies
Your voice is calling
Wakes me up, before I can reach the light

And I know you're there
I can hear you in the wind
Feel your hand on my shoulder

And I know you're there
I can hear you in the wind
Feel your hand on my shoulder

I can hear you in the wind, the wind
Turn around

And I know you're there
I can hear you in the wind
Feel your hand on my shoulder

And I know you're there
I can hear you in the wind
Feel your hand on my shoulder

I can hear you in the wind
Turn around
