Where does this sadness come from  
You're in the dark on your own  
Who cares, who cares if you're anyone, anyone,  
anyway, anyway  
Who cares, who cares if you're anyone, anyone,  
anyway, anyway

Hey hey hey hey  
Hey hey hey hey  
Hey hey hey hey  
It will be ok

Why do you let yourself cry  
Why does your soul try to hide  
Maybe you'll see you could be anyone, anyone,  
anyway, anyway  
Maybe you'll see you could be anyone, anyone,  
anyway, anyway

Hey hey hey hey  
Hey hey hey hey  
Hey hey hey hey  
It will be ok
