Just a state of mind
Just an empty stage
Coloured by a million words
Page by page

A puzzle made of signs
Obvious to find
But searching fo the truth
Got me blind

I don't wanna go there
I have fallen deep
Love has lost it's meaning
Love is out of reach

I don't wanna go there
I have fallen deep
Love has lost it's meaning
Love is out of reach

Just a state of mind
Just an empty stage
Coloured by a million words
Page by page

A puzzle made of signs
Obvious to find
but searching fo the truth
Got me blind

Wherever I go
Whatever I do
The deeper I fall
My mind is with you

I don't wanna go there
I have fallen deep
Love has lost it's meaning
Love is out of reach

Wherever I go

Whatever I do
The deeper I fall
My mind is with you
