"Still"

Even in the cold light of day
I don't need words, to say
Buried in the eyes that captured mind
Is where they lie.

I see in a hundred years the way
A long unknown tie

I see an image of of you standing there
and I feel like a child.

Oho.. Still.
Oho.. Still.

You're There.
You're There. Still.

Even in the dark stills of night
Nothing can prepare, for the inside.
I see through a hundred skies and ways
Strong silent light

I feel like it was just yesterday
And I, feel like a child.

Oho.. Still.
Oho.. Still.

Oho..
Oho..

You're there,
You're there, Still. Like a child.

Oho.. Still.
Oho.. Still.
