A shot through the heart  
That's what I felt when I heard the rumours of you

And that's true, What they say  
The man I woke up with was breaking the rule

Didn't feel didn't care  
He is hurting the two of us  
Far too much  
Now I'm fighting the loss of tenderness

I've been  
I've been running away 'cause I can't stop lovin'  
you  
And you  
You've been telling me lies  
You told me you're all alone  
And I'm fighting myself  
To be who I used to be  
Free like the wind

A touch in the night  
The magic within me is gone with the wind  
And my heart feels strong  
For the women on the other side with a child on her arm

Didn't feel didn't care  
He is hurting the two of us  
Far too much  
Now I'm fighting the loss of tenderness

I've been  
I've been running away 'cause I can't stop Lovin'  
you  
And you  
You've been telling me lies  
You told me you're all alone  
And I'm fighting myself  
To be who I used to be  
Free like the wind

Love aint what its meant to be for  
IÂ´ts hurting peoples minds and birth hate, hate, hate

(Solo)

IÂ´ve been running away Â´cause I canÂ´t stop LovinÂ´  
you  
And you  
YouÂ´ve been telling me lies  
You told me IÂ´m all alone  
and IÂ´m fighting myself  
To be who I used to be  
Free like the Wind  
Free like the Wind
