White tigers on a silver stage
No one sees the reality
You can feel the glamour
Famous for eternity.

Lonely gamblers in a silver cage
That's how they like to play their game
An awesome thrill for them all

Is it fairytale or true (Another world)
They'll find the sail of fortune (Another world)
Which way will it blow?
One life one show...
One life one show...

Million lamps on the roof
Not the same pleasure during the day
Never stops the rolling ball
The dream to be rich will fly away

Lonely gamblers in a silver cage
That's how they like to play their game
An awesome thrill for them all

Is it fairytale or true (Another world)
They'll find the sail of fortune (Another world)
Which way will it blow?
One life one show...
One life one show...

You cannot win the race,
In this magical place.
Enjoy the scenery.
Enjoy the atmosphere

SOLO

Is it fairytale or true (Another world)
They'll find the sail of fortune (Another world)
Which way will it blow?
One life one show...
One life one show...
