I want to believe, that I am right for you,
But I'm scared to my bones,
I am loosing everything.

I may be foolish, but you are running overtime
Since the day I met you, I haven't seen you look so cold.

When dreams fall apart (fall apart).
And nights seem so cold between us two
I'm dreaming away, to a place where I belong.

How could I believe, that you where right for me,
I was too naive to see, what the future had to bring.

I may be crazy, you're not the one that live this way
It's time to move on,
You are running overtime.

When dreams fall apart (fall apart)
And nights seem so cold between us two
I know you'll be gone (any day)
You'll find your way home.

The time is out,
I have had the greatest love,
I will remember you,
The one I dreamed about.
You're still here,
Haven't told me it's goodbye,
What are you waiting for,
Release the words you're dying for.
