Break break
Move on
Ache ache
Hold on
I feel your weight
The weight of what you've done
And you think you can come in here
And wash them away, just gone
You're so
So
Wrong

Take this heart and stitch it up
There's no words
We've said enough
Feelings are there and gone
Whatever was left
Is done

So
When did you think they'd find out
You're all with them
It's out
Maybe I told
And maybe I didn't
You'll never know
'Cause I won't admit it

Fall
Oh oh
Fall
Oh oh

Take this heart and stitch it up

There's no words
We've said enough
Feelings are there and gone
Whatever was left
Is done

Watch me walk away

Don't stare
It gets annoying
I know the worst is over
Calm before the storm
Well, it's thundering

What-ever
Is left
What-ever
Done left
Feel this way (I feel this way)
Feel this way
Fall (Oh)
Fall (oh)
I'm fallen (Good, good, goodbye)

Watch me walk away
Don't stare
It gets annoying
I know the worst is over
Calm before the storm
Well, it's thundering

Yeah
Yeah
Yeah
