Smile

Lyrics and Music by Aubrey Wood

Burnt sienna's creeping up
From my toes up to my throat
They're telling me to shed my coat
I said so long Ever Greens
And laughing at the simple things I know
Here I go.

On and on like nothing's wrong
Just watch me as I move along
And

Smile,
Let it stick
At least for a little while
Oh I smile
'cause if I don't
I might not make it home
Home.

Got miles and miles
Left to go
Some day soon I'll shed that coat
I would hope.
From Kanan back to Mountain Road
Warm sun or angels in the snow
There they go.

Temperatures at 104 yet
I have never felt so cold

But I smile
Let it stick
At least for a little while
Oh I smile
'cause if I don't
I might not make it home.

Maybe this is wrong
Maybe this wrong

Couldn't wait that long
Couldn't wait that long
To keep my head up
So I smile.

I smile,
Let it stick
At least for a little while
Oh I smile
'cause if I don't
I might not make it home
Home.
