Fall Out of Love by Alyssa Jacey

Some days I just wanna, fall out of love with you
I'm loosing my mind, with everything you're putting me
through
I work, so hard, to shove my love right in your face!
but when you turn me away you make me

Fall out of love with you
Fall out of love with you
Fall out of love with you
Fall out of love with you

In some ways, it's been a challenge seeing your view
but I think it's wonderful cuz I'm learning so much from
being with you
I speak, my mind, and stand for what I believe is right
but when you knock down my pride you make me

Fall out of love with you
Fall out of love with you
Fall out of love with you
Fall out of love with you

I must be crazy for, telling you half the things that I do,
and yes I,
Honey I realize, you put up with a lot from me too, when
you
You hear, my side, and how I got from point A to B
And you point out my stupidity and make me

Fall out of love with you
Fall out of love with you
Fall out of love with you
Fall out of love with you

Some days I just wanna, fall out of love with you
