I took a breath one day and, inhaled your smile
That's when I noticed that it hadn't been there, for
awhile
It's always been me whos turned away your frown
And you know that anyday, I'm gonna welcome one
upside down, that's why I say,

[Refrain:]

Hey, hey, hey y ey...and you go ooh, ooh ooo oo

I've wished for a lifetime, life with you day to day
And I've got some new rules to follow not to let you
walk away
My time is fillin' up to a level so unknown
And I'm feelin' low, oh, but I'm never on my own, that's
why I say

[Refrain:]

Hey, hey ey...and you go ooh, ooo ooo ooo

[Chorus:]

You tell 'em that you don't like, what you see in me
Then you turn around to my face, you're all about
hypocrisy
Why you wanna start this shit is, beyond me
Been too long now it 's time to move on and I'm gone
with alacrity
Tell me what you think about your integrity, tell me
what you think about your integrity

I'm a believer but you won't see me in church, no no
There are just too many things that I'd rather learn
from the world
Like the act of agression could be the fuel for social
change
And the voice of opinion it's gonna drive us all insane!
that's why I say

[Refrain:]

Hey, hey ey...and you go ooh, ooo ooo ooo

[Chorus:]

You tell 'em that you don't like, what you see in me
Then you turn around to my face, you're all about
hypocrisy
Why you wanna start this shit is, beyond me
Been too long now it 's time to move on and I'm gone
with alacrity

I wanna know what you think about your integrity, so
you can go

Hey, hey ey ey, and then I'll go oooh oo ooo ooo.
Hey, hey ey ey, oooh oo ooo ooo.
