Â'Prove Me WrongÂ' by Alyssa Jacey ()

capo 1

Intro: G, G/C, finger pick, slide x2

G D G/C

V1:I am bold, and I am brave,

C G

But not brave enough to tell you

G D G/C

I need you...to move on.

G D G/C

I am weak and I am scared,

C G

But only around you and I,

G D G/C

I need you...to be strong.

Em D AmD

Refrain:I lie awake, while all of those unanswered
questions circulate.

Em D G

No conclusions drawn, this time...and I...

Em D G G/C

Chorus:I need you, to prove me wrong!

Em D G G/C

You are falsified, stuck inside a place where you don't
belong!

Em D C Am

You deserve so much more than what's been goin' on...

C Am D G (and I go back to the intro)

So I need you, I need you, to prove me wrong.

V2:Just let go, just forget.

Forgive and forget it.

So much easier said than done. Ooooooh

Cuz you are lost and holding on,

A

To a fairytale ending...Tell me is one good memory
worth all the pain???

Refrain:I still lie awake, while all of those empty
promises circulate.
No conclusions drawn this time...and I...

(Chorus)

Bridge:Tell me, baby, is this where you saw it goin'?
No?
Then I need to know, oh, ARE YOU FOR REAL????!!

Chorus:And I need you, to prove me wrong!
There's no where to hide, cuz they all can see that
you DON'T belong!
How can things change when the same thing's been
goin' on for so long?
And I need you...I need you to prove me wrong!
I am falsified, I'm stuck inside this place where I know I
don't belong! I...
I deserve so much more than what's been goin' on...
So I need you, I need you, to prove me wrong.

(This next part, and for as long as it takes for me to do
my little sign out speech at the end, repeats the same
4 chords, G, G/C, Am, D over and over and over and
over etc.)

Prove me wrong, oh, prove me wrong.
la da da da da da da da,
Prove me wrong, oh, prove me wrong.
La da da da da da da da
oh oh
