Heart break sometimes  
We all can fall  
No stars shining in the night  
We stand alone  
Feeling small  
No hope - no ending in sight

(chorus)

My arms will comfort you  
The answer to your prayer  
Reach out - hold on I'll be there

Whenever you need some consolation  
Whenever you need to shed a tear  
Whenever you need me I'll be waiting  
I'll always be near  
You can always count on me

Dreams die sometimes  
The world won't seem fair  
Hold on - you'll make it alright

Be strong and carry on  
Faith will see you through  
Good things are waiting for you

(chorus 2)

Whenever you need some consolation  
Whenever you need to shed a tear  
Whenever you need me I'll be waiting  
I'll always be near  
Whenever you need a friend to talk to  
Someone who can help you work it out  
Remember that I'm a friend who loves you  
Don't you ever doubt  
You can always count on me

(repeat chorus)

(repeat chorus 2 and fade)
