DONT END UP LIKE THIS

Every day when i walk to school,and i see you.
At school, im always trying to impress you.
you always say that, others do this,
you get mad at me but why,come on i cant here
you..speak up i want to here you amit that you were
wrong

CHOURS

Because.... you think your a princess but weres your
castle...weres your prince and weres your perfect life.
But you think you have all that stuff....plus your
pretty,smart,and you can do cart wheels,well big woop
I dont care i know other people.....i dont need you.

i dont care what you say but im not going to act like you
any more im talking to you right now so ok listen
good.....

CHOURS

now my story just ended but your story just started i
cant wait to hear when your done i hope you dont end
up like that!!!!!!!!!!
