Dream, dream, dream, dream, dream ,dream, dream,  
dream, dream

Sometime it's seems the world is getting you down  
Sometimes it's seems a friend could never be found  
And your lost in an desporation with no rainbow inside  
But sometimes you find your dreams can really come  
true

If you belivie it might just happen to you  
How I bless the day, that you came away  
You made everything better  
I had a dream that you'll always gonna love me  
I had a dream that you'll always be there  
I made a wish to the stars that are above me  
That you'll always stay in my heart  
I had a dream

Sometimes you think your best is never enough  
Sometimes the world you choose is lonely and tough  
And you search for the conceration  
That's just nowhere around  
But then there are times when things will all go your  
way

Each day of the week feels like a holiday  
Give your heart to me, for eternety  
I will love you forever  
I had a dream that you'll always gonna love me  
I had a dream that you'll always be there  
I made a wish to the stars that are above me  
That you'll always stay in my heart  
I had a dream that you'll always gonna love me  
I had a dream that you'll always be there  
I made a wish to the stars that are above  
That you'll always stay in my heart  
I had a dream

When all my hope was out of sight  
You came along and made it right  
Oh, how I thank my lucky star  
Dream, dream, dream, dream  
Dream, dream, dream, dream dream  
Dream, dream, dream, dream dream dream  
Dream, dream, dream, dream  
Dream, dream, dream, dream dream  
Dream, dream, dream, dream dream dream

Dream, dream, dream, dream  
I had a dream that you'll always gonna love me  
I had a dream that you'll always be there  
I made a wish to the stars that are above me  
That you'll always stay in my heart  
I had a dream  
I had a dream that you'll always gonna love me  
I had a dream that you'll always be there  
I made a wish to the stars that are above  
That you'll always stay in my heart  
I had a dream  
I had a dream that you'll always gonna love me  
I had a dream that you'll always be there  
I made a wish to the stars that are above me  
That you'll always stay in my heart  
I had a dream
